Welcome to Direct Care's First Official Newsletter, keeping you informed of all our latest News and developments in our six residential Homes in Northamptonshire and Lincolnshire.

Our first Newsletter is to give you an insight into our Homes so you can find out more About Us and our Achievements and why the young people in our care flourish with the unique range of Activities and Education we offer them.

Direct Care is modeled on a therapeutic approach to childcare, providing residential care for young people with emotional and behavioural difficulties aged 10-18 years.

We are very proud of our professional and dedicated reputation in making a real and very positive difference to the young people in our care.
